If the post of Asst.
 Commr, Income-tax is included in the
 Cadre of Asst. Commrs of the Civil
 Service, it will have to be held only
 by a person who has passed all the
 necessary departmental tests. If it is
 outside the Cadre, it can be given
 to a person standing in Accounts, even
 though he has not passed all the law
 examinations.

OFFICE OF THE COMMISSIONER OF INCOME-TAX IN MYSORE.

DIARY No. 2

16.

FROM

A. Subramanya Iyer, Esq., B.A.,

~~XXXXXXXXXXXXXXXXXXXX~~

Commissioner of Income-tax in Mysore.

To

T. E. Jeyarama Aiyar, Esq., B.A., B.L.,
Secretary to Government,
Revenue Department

Sir,

With reference to Government Order No. 4516-C.B. 186-22-23

dated 5th March 1923 appointing Mr. G. Madhava Rao as Assistant Commissioner of Income Tax for the cities and taluks of Bangalore & Mysore, I have the honour to state that the arrangement, while giving a higher status to the officer and throwing greater responsibility upon his shoulders, has given him no pecuniary benefit. As Chief Auditor he was entitled to get his grade pay and Rs 50/- as Duty or Local Allowance. His grade pay in 1921 was Rs 125/- and has been Rs 200/- since. Thus it will be seen that his salary is the same whether as Assistant Commissioner or Chief Auditor. An Officer of the grade of Assistant Commissioner is always necessary for the Income-tax work of the Bangalore and Mysore Cities & Taluks--whether there will be one Special Collector or whether there be a Deputy Commissioner and an Assistant Commissioner. So I request that a post of Assistant Commissioner for Income-tax might be added to the cadre of Assistant Commissioners. I cannot think of anybody better qualified for the ~~ex~~ post ^{than} of Mr. Madhava Rao. His work has given Mr. Heblikar and me entire satisfaction and

(Placed for reference
to Mr. Heblikar
supervision)

I strongly recommend that he be appointed to permanent post. He has passed the B.L. Degree Examination and is qualified to be an Assistant Commissioner under the Rules.

2. I have also to request that this Officer be given a Local or Duty Allowance of Rs 50/- as he was getting till now. In addition to disposing of 3,500 Income-tax cases, he has to train Probationers and to help the Deputy Commissioner and me when knotty questions relating to Accountancy are involved in cases coming before us.

3. His representation received from the Deputy Commissioner is enclosed.

I have the honour to be,

Sir,

Your most obedient servant,

COMMISSIONER OF INCOME-TAX.

To

The COMMISSIONER

THROUGH

The DEPUTY COMMISSIONER
of Income tax in Mysore,
Bangalore

Sir,

I am highly thankful to Government for graciously conferring upon me the appointment I now hold, and, to you, for kindly recommending my nomination thereto. Seeing the heavy responsibilities entrusted to me, I feel it a matter of supreme gratification to me that I was considered fit for the work.

I beg leave to place the following facts before you with a request that they may kindly be considered favorably and recommended on likewise too.

It is trite saying that a command of the assessors respect, regard and obedience is a condition precedent to a satisfactory discharge of the work of an Income Tax Collector. Practically - speaking, this is only possible, seeing the uneducated class of people dealt with, with a certain amount of outward show of dignity. Unless this feeling is created in the minds of the assesseees, it is not unlikely that in most cases the Collector gets instead of ready response from them to his requirements

Received

requirements, a cold indifference, which is very detrimental to the work

As matters stand, I am permanently attached to the Income Tax Department, placed outside the cadre of Assistant Commissioners and granted a salary of Rs250/-. In this same office, I would have drawn by now a salary of Rs250/- in my ministerial appointment of Chief Auditor. The immediate consequence to me of the advancement is that I have, perforce, to change my mode of life to a costlier one than before, while I have not the wherewithal to do so. Secondly, I have been permanently drafted to a Department which is too limited in its scope to allow of my looking forward, even in future, to any advancement, more especially as not even the usual increment appertenant to the Assistant Commissioner's appointment have been vouchsafed to me.

Succeeding immediately, as I do, the Special Collector who had a sufficient status in the officialdom and who also enjoyed the duty allowance of Rs100/-, both of which enabled him to command the assessee's respect, I feel that the need for keeping up appearance is even more urgent in my case.

I may be pardoned for saying, if as a sophistry, that if the allowance was sanctioned to the Special

Collector for the arduousness of, increase in, or responsibility attendant upon the duties he discharged, one is due to me also, as, the bulk of his work, with all its arduousness and responsibility has been now transferred to me. In addition to the 3,500 cases on my file I have the other work of taking the initiative in the Taluk cases recently transferred to me, of giving training to the Probationers and also give opinion on the accounts phase in the Deputy Commissioner's cases. All this involves very heavy work which necessitates work during out of office hours. Temporary transfer of my office to Mysore involves extra expenditure and mine is the only post of Assistant Commissioner in Bangalore which is without a duty allowance.

If Government has not given me the grade just because there were my seniors in the Superintendent's grade in the Comptroller's office, I may be permitted to state that no senior of mine had qualified himself for the work; and what is more, a far more junior three or four places below me, was given a grade rising from 250/- as Accounts Assistant to the Agent, Mysore Railways.

Under these circumstances, my prayers are as follows:--

1. I may be sanctioned the usual duty allowance of Rs 50/-.

G.M.
15/4

(4)

2. I may be granted the usual grade of Assistant Commissioners.
3. My appointment may be included in the cadre of Assistant Commissioners. I have fully qualified myself therefor, as is manifested by a perusal of the Civil List.

I hope that the facts set forth above will convince you of the reasonableness of my requests and that you will kindly make needful recommendation to Government.

I beg to remain,

Sir,

Your most obedient servant,

G. S. S. Rao

Assistant Commissioner
of Income Tax.

Bangalore,
D/ 25th April 1923.

Copy of letter No. C. 468/23-24 dated 3rd/4th December 1923 from the Deputy Commissioner of Income Tax in Mysore, Bangalore, to the Commissioner of Income Tax in Mysore, Bangalore.

I have the honour to forward, herewith, a representation from Mr. G. Madhava Rao, Assistant Commissioner of Income Tax, Bangalore, containing the following prayers:--

- (1) that his appointment may be included in the Cadre of Assistant Commissioners on the usual grade pay (Rs 250-25-450), and
- (2) that he may be given a Local Allowance of Rs 50/- and a Conveyance Allowance of Rs 50,

I understand that Mr. Madhava Rao has completed all the tests, which an Assistant Commissioner in the Civil Service is expected to pass. As this is an important appointment, I think it ought to be included in the Cadre of Assistant Commissioners. Whether he is placed in the Civil Service or not Mr. Madhava Rao will have to be given the grade Rs 250-25-450 as several of his juniors have been recently given better starts in other special departments.

The Income-tax survey of the two cities was done by me more than 3 years ago. On account of the recent slump in the market and several causes, the data then collected are not of much use now. In fact a resurvey is, in my opinion, very desirable. In the interests of Government revenue as it is very necessary that the work of the Inspectors should be systematically checked and kept up-to-date the Income Tax Assistant Commissioner has to go round his charge, make personal enquiries on the spot and verify the information supplied by Inspectors. This he can do only if

if he is given a Conveyance Allowance to enable him to move about freely in a suitable conveyance in the mornings. A horse and a carriage is also necessary for an Income-tax Officer to keep up his prestige. As a decent turn-out cannot be maintained for anything less than Rs 75/- per mensem in Bangalore, I would suggest that the Assistant Commissioner of Income-tax may be given a Conveyance Allowance of Rs 75/-. I may add that the Income-tax Officers in Bombay and Madras, who are in charge of cities and other business centres, are given an allowance of Rs 100/- per mensem. The increase in the revenue resulting from the personal inspections will I think, more than justify the grant of allowance recommended by me.

Mr. Madhava Rao's representation is, herewith, enclosed in original.

Sir,

(Continue

no 1)

In continuation of my representation of 23-4-1923, I
beg leave to place the following lines before you for sub-
mission to Government with your kind support.

2. I have already expressed and shall ever feel my deep
gratitude towards Government for kindly conferring the
present appointment upon me. But subsequent circumstances
have shown that this permanent appointment of mine on a
fixed salary in this Department has proved to be a bar to
my prospects instead of otherwise as shown below.

3. Three of my juniors in the Accounts Department have
recently been appointed on salaries greater than mine viz.,

(a) Mr. G. N. Ranganathan has been appointed as
Accounts Assistant to the Railway Secretary
on Rs.250-25-400 plus 50.

(b) Mr. S. Raghavachar who succeeded me in my work
as Auditor of the Iron Works at Bhadravati
has been appointed as Accountant there on
his salary plus Rs.100/-. Had I con-
tinued in the department, I believe I
should have been chosen for that post in
the natural course of events. This would
have entitled me to an immediate emolument
of Rs.300/- which I take 2 years to get
even if the incremental grade is sanc-
tioned to me.

(c) Mr. V. S. Subba Rao has been lent out by the
Industries and Commerce Department on
Rs.300/- to the Mysore Tannery.

Some officers, who were gazetted subsequent to me in grades
equal to that of the Assistant Commissioner's, become seniors to
me ~~inasmuch~~ inasmuch as they get their increment unless I get the in-
crement from the date of my appointment.

My pay has been fixed as a gazetted officer at the same figure as what I should have got in my ministerial appointment in the same department. The change in status has put me to greater expenditure.

Except that my official designation is somewhat similar to that of the other Assistant Commissioners, I have nothing in common with them. Neither the Cadre nor the increments have been vouchsafed to me.

I therefore pray that I may also be ^{Started}~~granted~~ on the same salary as my juniors viz. Rs.300/- if I am to be placed outside the Cadre of Assistant Commissioners. I shall, however, be content to remain on my present pay, should my name be included in the Civil Service Cadre.

4. A duty allowance of Rs.100/- was granted to the Special Collector of Income-tax in virtue of the arduousness etc. of his duties. Though some cases have been now entrusted to the Deputy Commissioner of Income-tax, the amount of work that I have to do is more than that of the Special Collector. The number of cases on my file is 3500 as against of the Special Collector. This number is still likely to increase by a greater scrutiny into the accounts and local conditions. Besides this work I have the following additional work which the Special Collector had not:-

- (1) Examination of accounts in many cases where the Accountant's work is found unsatisfactory to me from an accountancy stand point.
- (2) Imparting instructions to the Probationers.
- (3) Giving opinions on accountancy points relating to cases of other Income-tax Officers - as for examples the K.G.F. and Davangere Collectors.

All this entails a great deal of mental and physical labour and I pray for emoluments commensurate with the work done.

5. It is nearly three years since the Income-tax Survey of the two Cities was made by the Special Collector and it should be undertaken now. The business world is undergoing constant changes for the last one or two years and unless constant vigil is kept up we may stand to lose. In Bombay the Income-tax Officers are paid conveyance allowances of Rs.100/- and it has also been found necessary from experience here that if we should increase revenue by catching new assesseees and check the Inspectors' and Amildars' estimates, the Income-tax Officer should personally inspect ^{places} locally. The Inspectors working under me get conveyance allowances of Rs.25/- and I cannot go about the streets either on my cycle or a jutka like the Inspectors and I therefore pray that a conveyance allowance of Rs.50/- may be sanctioned to me. I also think that an occasional inspection of places of business of the Taluq assesseees will be to the advantage of ^{Income tax} Revenue and will to a certain extent make up for the insufficient and dilatory information now furnished by the Amildars.

In conclusion my prayers are:-

- (1) I may be sanctioned a local allowance of Rs.50/-.
- (2) I may be granted the usual grade of Assistant Commissioners.
- (3) My appointment may be included in the Cadre of Assistant Commissioners. (I have 21 year's service still before me), and

(4) A conveyance allowance may be sanctioned to
me of Rs 50.

In continuation of my letter No.C.468 dated 4th December 1923, I have the honour to forward herewith a D.O. letter dated the 2nd instant from Mr. G. Madhava Rao, Assistant Commissioner of Income Tax for Bangalore and Mysore Cities and Taluks, urging again for a Duty or Conveyance allowance sufficient to enable him to maintain a conveyance suited to his official position.

2. I have already stated before that the prayer is a very reasonable one and may be sanctioned. I can say from personal experience that a conveyance for moving about in his jurisdiction and to check the work of the Inspectors is absolutely necessary. The outdoor work of an Income Tax Officer in cities is quite as important as the office work.

3. I believe in British India the Income Tax Officers in charge of the cities are given a Conveyance or local allowance which latter is intended to cover the high cost of living and maintaining a suitable conveyance in cities.

4. In these circumstances, I request you to move the Government again to sanction the allowance to Mr. Madhava Rao as early as possible.

Copy of application No. Nil dated 21st January 1925 from Mr. G. Madhava Rao, B.A., B.L., Assistant Commissioner of Income Tax for the Cities and Taluks of Bangalore and Mysore, to the Deputy Commissioner of Income Tax, for the Cities and Taluks of Bangalore and Mysore.

In reply to the Commissioner's Memo No. C. 410/23-24 dated 11th January 1925, I have the honor to state that my prayers have been as follows :-

that (1). I may be given a duty allowance of Rs 50/- as is given to the other Assistant Commissioners attached to the Secretariat and Revenue Commissioner's Office, etc.

(2) I may be granted a Conveyance allowance of Rs 50/- as is done to the Income Tax Officers in British India.

(3). I may be given the incremental salary from the date of my appointment, i.e., 6th March 1923.

& (4). My appointment may be included in the cadre of Assistant Commissioners.

I believe my prayers have been supported by the Commissioners from time to time.

Circumstances have now so altered that my 4th prayer has to be left out of consideration.

I have fully explained in my previous applications the need for ~~the~~ ^{the} reasonableness of my prayers.

I request that the Commissioner may kindly be moved to recommend for me the sanction of as many of my prayers as he considers me entitled to in view of

(a) the heaviness and responsibility of work allotted to me ;

(b) expensiveness of life in Bangalore and somewhat frequent journeys to Mysore and other places

(c) maintenance of a Conveyance needed both for touring about the Cities and Taluks and also for the prestige of the appointment. A Motor Cycle advance was sanctioned to me by Government recently.

(d)

(d) the appointment of Deputy Commissioner of Income Tax has been closed to me for ever, it being open only for Civil Servants.

Copy of letter No. C. 276 dated 21st January 1925 from the Deputy Commissioner of Income Tax in Mysore, Bangalore, to the Commissioner of Income Tax in Mysore, Bangalore.

With reference to your Official Memorandum No. C. 410/23-24 dated 11th January 1925 in the matter of the representations of Mr. G. Madhava Rao, Assistant Commissioner of Income Tax, I have the honor to forward, herewith, the application of Mr. ~~G.~~ Madhava Rao dated 21st January 1925 and to state as follows :-

I consider that ^{his} the two prayers as regards, (I). grant of an increment from 6th March 1924 and (II). sanction of a conveyance allowance to him of Rs 50/- per mensem are very reasonable and proper. From what I have seen of the work done by him and judging also from the various kinds of work entrusted to him which he has been discharging satisfactorily, I am fully of opinion that his arduous and good work deserves consideration at the hands of Government.

The Taluk work requires his visiting, places outside headquarters and this, coupled with the necessity of his moving about in the 2 Cities of Bangalore and Mysore on inspection work renders it essential that he should maintain a Conveyance and a Conveyance allowance of Rs 50/- a month in these circumstances seems to be not at all much.

As regards the ^{other} prayer of Mr. Madhava Rao, it only means giving effect to the recent reorganization order fixing the pay of his post on a scale rising to Rs 450/-.

I therefore request you to kindly make needful recommendations to Government for sanction being accorded to the two prayers mentioned above.

Copy of D.O. letter No. C. 140 dated 31st December 1924 from Mr. G. Madhava Rao, B.A., B.L., Assistant Commissioner of Income Tax for the Cities and Taluks of Bangalore and Mysore, to the Deputy Commissioner of Income Tax for the Cities and Taluks of Bangalore and Mysore

May I beg leave to remind you of my two representations to the Commissioner of Income Tax dated 25th April 1923 and 12th November 1923 with regard to myself ? As you remember these representations were forwarded by you with your kind support ; but Government have not yet passed orders in the matter. It is nearly one year and 10 months since I have been drawing the present pay of Rs 250/- You are aware of the fact that I ~~would have~~ been in receipt of this pay or even more if I was where I was viz., in my ministerial appointment. I understand that I was denied the intended increment pay to begin with on a ground of policy. But as things now stand and for reasons already assigned by me in my representations viz., that others in positions similar to mine were given incremental salaries and allowances also, may I request you to kindly recommend to Government that I may be given the benefit of the grade sanctioned for the post with effect from my appointment thereto, so that I might get Rs 275/- from March 1924 ? I may state here that the position of the Assistant Commissioners attached to the Survey Department has been fixed independently of the general question. My request is that my case may also be considered on its own merits and early orders passed both as regards my increments and the duty allowance.
